About a mile after turning onto A12 he was pulled over by the police. It was about 8:30 in the evening. Mr. Herr said he had heard about the ordinance restricting water trucks on County Road A12, but his friend was so desperate for water he felt he needed to help them or they might die. The following excerpts are from that article: 'At the same time, deputies are threatening to cite local businesses supplying the cannabis farms with soil, lumber and other materials that amount to 'aiding and abetting in the illegal activity,' the sheriff's office said earlier this month on Facebook.' 'The sheriff is also recruiting private citizens to operate 'heavy equipment, such as dozers and excavators' to bulldoze greenhouses to combat what the sheriff on Facebook calls the 'illegal Commercial Cannabis Activity plaguing our county.' They eradicated 50,861 plants and bulldozers tore down 143 greenhouses, LaRue said.'
